LA CROSSE, Wis. – Tomorrow, Wisconsin Democrats will condemn the Supreme Court's decision to overturn Roe v. Wade which will result in the enforcement of Wisconsin's 1849 abortion ban, take away Wisconsin's right to make their own medical decisions, and jail doctors who provide abortions.

Speakers will blast Republicans for their decades-long attacks on reproductive rights and emphasize the need to elect Democrats—our last lines of defense against a total abortion ban in Wisconsin — as well as defeat Ron Johnson who has long advocated to overturn Roe v. Wade.
