Senate Democratic Leader Melissa Agard to hold hearings in Platteville. Wauwatosa, Eau Claire, and Wausau May 4th through June 1st.

MADISON – Today, Senate Democratic Leader Melissa Agard (D-Madison) announced the "Grass Routes" Tour - an opportunity to discuss the current landscape of cannabis policy in Wisconsin. The tour will include stops in Platteville, Wauwatosa, Eau Claire, and Wausau. During these events, Senator Agard will give a presentation on legalization efforts, both nationally and in Wisconsin, followed by a Q&A for those in attendance. She will be joined by local leaders in each community. Senator Agard released the following statement on the upcoming tour:

"For the past decade, I have championed cannabis legalization in Wisconsin. Throughout that time, the people who reach out to my office about this policy are not defined by party affiliation or geography, nor do they have the same demographics in age, race, or gender. It is a broad coalition of support like few I have seen during my time in the legislature.

"Despite this, Republicans in the Capitol continue to promote their outdated policy of prohibition. If these elected officials are not going to represent the will of the voters who sent them to Madison, then it's time for us to bring the message of legalization across the state, directly to the people.
