Green Bay, WI - The City of Green Bay will offer voting from the safety of one's car. On Saturday, October 31, the City will host both drive-through voting, in the City Hall parking lot, and walk-up voting, inside City Hall. Voters who've already received an absentee ballot should make sure they have their signature, along with a signature and address from a witness. Once complete, voters may drop off the ballot at our Saturday drive-through.

For drive-through voting, drivers will use the Jefferson Street entrance:

--follow the signs to enter the parking lot

--pull up to a tent where the voter will get an absentee ballot and envelope

--vote the ballot from your car

--another staff member will witness the ballot and place it in the drop box, under the voter's supervision

--voters will exit behind City Hall and leave via Walnut Street.

Walk-up voting will continue as it has over the last two weeks. Voters may park in the northern portion of the City Hall lot or on the streets around City Hall (Cherry, Pine, Adams and Madison). Parking on City streets is free on Saturday.

What: Drive-through and Walk-up Voting

When: Saturday, October 31st from 10 am to 4 pm

Where: City Hall, 100 N. Jefferson St., Green Bay
