Grants are open to nonprofit organizations that promote positive mental health through activities, programs, and services that enhance the emotional, psychological, and social well-being of Wisconsin veterans.

MADISON — Gov. Tony Evers, together with Wisconsin Department of Veterans Affairs (DVA) Secretary James Bond, announced today that applications are now being accepted for the Veteran Mental Health Community-Based Organization Grant program. Gov. Evers initially announced the grant funding as part of a \$10 million investment directed by the governor and supported by the American Rescue Plan Act (ARPA) to support veteran services across the state.

The Veteran Mental Health Community-Based Organization Grants are open to nonprofit organizations that promote positive mental health through activities, programs, and services that enhance the emotional, psychological, and social well-being of Wisconsin veterans. Each nonprofit can receive up to \$50,000 to support its efforts in providing mental health support for veterans. Applications must be received by **4 p.m. on Wed., May 31, 2023.**
