Mark your calendars and get ready to raise a glass to empowerment with Women, Wine, & Tech 5.0 - an event celebrating women in the tech industry and their mental well-being on April 25th, 2024.

Milwaukee, WI – [Visionary League](#) is excited to announce the highly anticipated return of Women, Wine, & Tech 5.0 on April 25th, 2024, from 6 PM to 9 PM CDT at 1128 North 9th Street, Milwaukee, WI 53233. This year marks the 5th anniversary of this unique event that celebrates and empowers women in the tech industry through networking, inspirational talks, and fine wine.

Women, Wine & Tech 5.0 is more than just a conversation. It is an opportunity to build a supportive community where women can empower one another through shared experiences and forge lasting connections. Led by the dynamic LaShonda Hill, attendees will gain valuable insights on *mental health* within the tech industry and learn ways to navigate the unique mental health challenges faced in this dynamic field.

The event will feature esteemed panelists, including Tiarra Clayton, Jennifer Ketz, Dr. Tonjia Coverdale, and Johonna Duckworth, who will explore topics such as overcoming mental health challenges and the importance of self-care for a balanced work-life. These influential women will share their experiences and offer attendees valuable advice.
