MADISON - We need to let our own legislators know, and the leaders of the Assembly and the State Senate know, that we won't stand for the grotesque waste of taxpayer dollars on the endless fishing expeditions about last year's election.

Even Paul Ryan this week acknowledged: "It was not rigged. It was not stolen."

So please contact your own legislators, as well as Rep. Janel Brandtjen, who heads the Assembly Committee on Campaigns and Elections, and Kathy Bernier, who heads the Senate Committee on Elections, as well as Speaker Robin Vos and Majority Leader Devin LeMahieu.

Here are their emails:

Rep.Brandtjen@legis.wisconsin.gov

Sen.Bernier@legis.wisconsin.gov

Rep.Vos@legis.wisconsin.gov

Sen.LeMahieu@legis.wisconsin.gov

Tell them to stop messing with our freedom to vote.

Tell them to stop wasting \$680,000 of our hard-earned taxes on these lies and shams.

And tell them instead to work on the crucial issues we face in this state, including COVID, health care, public education, the environment, and broadband.

Take Action: Contact Vos, Brandtjen
