

MILWAUKEE - We welcome back former panelist Rebecca Lynch to the show to fill in for Claire who is on vacation. The panel updates the latest on Build Back Better legislation in Congress, including next steps now that Speaker Pelosi has delayed a vote in the House until the end of the month. Michael Gableman issued subpoenas in his phony election investigation to 5 Democratic cities this week, and he shamefully admitted he does not understand how elections work. This week 4 years ago Donald Trump and Scott Walker broke ground at the Fox con. We welcome U.S. Senate candidate [Steven Olikara](#) to discuss his campaign in our continuing effort to interview Democratic candidates willing to challenge Ron Johnson.
