MADISON - I was so appalled at Robin Vos's latest lie about the 2020 elections that I had to sit down at the computer and write about it. You can read what I said here:

[Vos Lies to Placate the Far Right](#)

But mostly I wanted to write you today to invite you to our annual celebration, **Thursday, May 19**, at [Lussier Family Heritage Center](#), 3101 Lake Farm Road, south of South Towne in rural Madison. (You also have the option to attend remotely via Zoom.)

[Go here to register and view program details](#) .

Check in is at 5:30 p.m. in person, and we'll have appetizers.

The program starts at 6:00 p.m. I'll be giving a talk, "The Assault on Democracy in Wisconsin."

And then there's going to be a great panel with Mel Barnes from Law Forward, Angela Lang from BLOC, and Christine Neumann-Ortiz from Voces de la Frontera, moderated by Iuscela Flores, our Racial Equity and Economic Justice Advocate.

We'll end around 7:30 p.m., and afterwards, I'll be signing my book, "12 Ways to Save Democracy in Wisconsin."

I sure hope you can make it! Feel free to [forward this invite](#) to a friend.
