MILWAUKEE - We are joined by Tobita Chow, the director of Justice is Global to discuss the new House committee aimed at the Chinese government and has Republicans warning of a “New Cold War”. We discuss why a cold war is disastrous to progressive governing and unnecessarily stokes anti-Chinese hate in America.

We debrief Citizen Action’s excellent State Supreme Court progressive candidate forum Wednesday night. We encourage you to watch and vote on what Citizen Action should do in the election. We talk about the newly unveiled Republican agenda in Congress and the State Legislature to provide tax cuts and tax avoidance for the wealthy while declaring no legislative pathway on very popular issues like legalized marijuana. We also review disgraced Wisconsin Election Commissioner Robert Spindell bragging about suppressing voters.
