Walker forced to call special elections, preview next week's Spring Election on Tuesday, Vote No on eliminating the State Treasurer, Foxconn news, and more...

STATEWIDE - We discuss how Scott Walker has finally been forced to call special elections in two state legislative seats after being slapped down by an appeals court judge. The special election will be on June 12th, with any primary set for May 15th.

We also preview next week's Spring Election on Tuesday, April 3rd. We dissect the WMC's sleazy child sex predator ad that has greatly upset the family of the victim.

Next we welcome Citizen Action Co-op member Sarah Godlewski to discuss why it so important to save our fiscal watchdog and Vote No on eliminating the State Treasurer. We bat around the latest Foxconn news and raise up the inspirational efforts of the Wisconsin student marchers who used their spring vacation this week to walk 50 miles to Paul Ryan's house urging greater gun restrictions.
