MADISON - What a bizarre week for our democracy!

There was Donald Trump's disastrous press conference in Helsinki and his embarrassing attempts to walk it back. And there was Maria Butina, under arrest, with Scott Walker making a veiled cameo appearance in the FBI's arrest request. Walker and Butina met at an NRA event, which is fitting, since the NRA has been a steady Walker supporter, as we note here:

### [Russian woman highlights Walker's NRA ties](#)

We broke a story, earlier this week, on Walker and an illegal contribution he received relating to the state pension fund:

### [Walker received "pay-to-play" contribution from exec of investment company](#)

And we pored over the campaign finance filings that Wisconsin candidates submitted this week.

First for the governor's race:

### [Walker raises twice as much as all of the Democratic candidates](#)

And then for the race for Attorney General:

### [AG candidates raise nearly \\$1.3M in first half of 2018](#)

I hope you like these postings.

Best,
