MADISON - With each passing day, I get more and more alarmed about where our country is headed under Donald Trump. Here are my considered thoughts on this ominous subject:

[Trump and the road to fascism](#)

We've also weighed in on the odious plan by the Trump Administration to insist on asking a citizenship question on the upcoming Census. Here's the letter we sent out on this:

[Letter on 2020 census citizenship question](#)

Back here on the Wisconsin front, we've been busy following the money. We noticed that a new WEDC loan recipient just happens to have generous Walker donors at the helm:

[WEDC gives \\$60M to company run by Walker donors](#)

In covering the money chase in the elections here, the results of the horrendous 2015 rewrite of our campaign finance laws are becoming more obvious. Here are two examples:

[Major state parties raising money hand over fist](#)

[Republicans outraising Dems with record-breaking hauls by legislative leaders](#)

If you want to see the most up-to-date info on who has brought in the most money in the governor's race and other statewide races, we've got a handy little chart right here:

[Campaign finance information updated for all constitutional office candidates](#)

As you can see, we've been busy around here!

Have a nice weekend.

Best,

Matt Rothschild
