STATEWIDE - We welcome Citizen Action coop member Sarah Godlewski who is in the final stretch of her amazing campaign for State Treasurer. Sarah reminds us how important it is to vote all the way down the ballot on Tuesday, November 6th.

We discuss the terrorist attack by a white nationalist in Pittsburgh and how the tragedy is a direct consequence of the hatred sewn by Donald Trump, and the Republican politics of division. We discuss the despicable new Trump ad vilifying immigrants, which some believe is even worse than the infamous Willie Horton ad. We review the new MU Law Poll and discuss the importance of getting involved in GOTV canvassing efforts the last 4 days of the election.

Robert reviews a new Citizen Action report finding that allowing Wisconsinites to buy-into Badgercare as a “Public Option” would slash premiums and deductibles by as much as \$24,000 for a family of four. The report also found the healthcare cost gap with Minnesota is widening.
