More than six thousand Wisconsinites protected.

WISCONSIN -- Democratic Party of Wisconsin Chairman Ben Wikler released the following statement in response to the Supreme Court's Decision on DACA:

"Today's Supreme Court decision is a victory for the more than six thousand Wisconsinites who are protected by DACA and all of us who cherish them as our fellow citizens. The contribution they bring to communities across Wisconsin is incalculable, and had Trump gotten his way our friends, neighbors, and family members would be leaving the only country they've ever known as home. We're grateful for the thousands of DREAMers who have organized and fought for a more inclusive America and paved the way for this decision. Justice won today, but there is no doubt that Trump will continue his xenophobic and racist attacks against the immigrant community. We know DACA will be on the ballot this November, and it falls upon all of us to vote for Joe Biden and Democrats across the country who will whole-heartedly protect our fellow Americans."
