***Wife's involvement leaves no way Clarence Thomas can be a neutral arbiter in any future Jan. 6 cases says Executive Director of Wisconsin Democracy Campaign.***

---

**MADISON**—If he doesn't resign, as Rep. Alexander Ocasio Cortez has properly [asked him to](#) , Justice Clarence Thomas at least needs to recuse himself from any cases dealing with the Jan. 6 uprising.

And he sure should have recused himself when he was the lone dissenter in a case earlier this year about the release of Donald Trump's records relating to Jan. 6.
