*Will launch people powered & crowd funded campaign for governor on Tuesday, September 12. Could really use your help now.* 

ALTOONA - Wanted you to know that Mike will be officially launching his campaign for governor on Tuesday, September 12. He is returning to the Clark County farm where he grew up to announce his plans for the 2018 election.

Between now and then there are signs to be made, literature to be printed up and countless other start-up expenses to be covered. We could really use your help to kickstart the campaign.

Contributions up to \$200 per person are being accepted <u>online</u>, or checks can be mailed to: Commoners for Mike McCabe, P.O. Box 67, Altoona WI 54720.
