Milwaukee attorney and former State Party Chairman says it's time to move Wisconsin Forward again.

MILWAUKEE - Today Matt Flynn – attorney, Navy veteran, and former Chair of the Democratic Party of Wisconsin – officially announced his campaign for Governor in 2018. Flynn joins the field of Democratic candidates ready to defeat Scott Walker.

“I’m running for Governor because I can’t stand by and watch our democracy slowly destroyed. Donald Trump has corrupted our government, is dividing our country, and is pitting Americans against Americans.

“In Madison, Scott Walker is slowly destroying the Wisconsin Way. I can’t stand by and watch the great Forward tradition of our state obliterated. I’m standing up to the large corporate donors who really are the ones that control Scott Walker and his cronies. I’m running for Governor of Wisconsin to restore our progressive tradition and to get Wisconsin moving Forward again.

“Scott Walker was taken to the cleaners on the Foxconn deal. He agreed to pay up to \$3 billion to a Chinese company with no guarantees of a number of jobs created and wages paid. He also exempted them from important wetlands and water regulations right near Lake Michigan. We cannot tolerate Chinese industrial water management in Wisconsin.

“It’s time to restore fair wages and prosperity in every county and in every ZIP code in this state. We need to repair our roads throughout the state. We need to restore clean water to our state. It’s time to restore adequate funding to the University of Wisconsin System and to our public schools. It’s time to accept all federal money available to fund our Medicaid and other healthcare commitments. And above all, it’s time to restore clean, open, and honest government in Wisconsin.”
