MADISON – Today Rep. **David Bowen** (D-Milwaukee) offered the Democratic Weekly Radio Address, wishing happy holidays to everyone in Wisconsin.

"Whether you donate money, food, toys or even your time, there's nothing quite like the feeling of making life a little better for your neighbors," Rep. Bowen said. "On behalf of myself and my Democratic colleagues in the Assembly, we wish you happy holidays and a wonderful New Year."

The audio file of this week's address can be found [here](#) , and the video can be found [here](#) or below.

A written transcript of the address is below:

"Hi, I'm Representative David Bowen with this week's Democratic Radio Address.

"The holidays are a time of celebrating with loved ones, enjoying the festivities and muddling through the Wisconsin cold. But for many, this has been a hard year.

"2016 has been contentious, full of divisiveness and animosity. Wisconsin is still home to the most diminished middle class in the country, and many families from Milwaukee to Superior are struggling to keep their homes warm and put food on the table.

"But we are a state full of kind and generous people, and this holiday season, I ask you to give back. I've dedicated my life to public service; from fighting to restore food benefits on the legislative floor to working with the Hunger Task Force to ensure no one in Wisconsin goes hungry, I'm inspired everyday by the people in my community and my state.

"Whether you donate money, food, toys or even your time, there's nothing quite like the feeling of making life a little better for your neighbors.
