STATEWIDE - We welcome Citizen Action Organizing Cooperative leader and education advocate Beth Ludeman to dissect Gov. Walker’s recently unveiled state budget where he celebrates restoring some of his own savage education cuts.

Sachin Chheda joins us for an update on the redistricting lawsuit victory ordering the Legislature to redraw district lines. Sen. Dave Hansen discusses his new legislation (SB 13/AB 44) that would reform our redistricting process by empowering a nonpartisan commission to draw the maps, similar to the successful Iowa model that produces more competitive elections.

Jorna tells us about Paul Ryan’s advice to Republican congressional members to bring extra security to their town halls, while Robert exposes the conservative bait and switch on healthcare.
